EP Commodities, a.s (EPC), a part of Energetický a průmyslový holding, a.s. (EPH group) specializing in trading of natural gas, coal and power is extending its activities and team in Prague and building a full equipped trading house including asset optimization capabilities.

That is why we are looking for:

**Real Time Asset Portfolio Specialist**

Who are we looking for?

_Talented and motivated individuals who would like to build a career in exciting and challenging energy sector and also experienced candidates who would like to take the next move up in their career, with:_

- Advanced English language skills
- German on intermediate / upper-intermediate level
- Analytical skills and structured thinking
- Attention to detail and high sense of responsibility
- Ability to work under stress and make fast decisions
- Good time management and organizational skills
- Proactive approach to learning new things
- Ability to work independently but also in a team
- Openness to relocate to Germany for training and then start working in Prague
- Openness to work shifts and cover 24/7 operations

What do we offer?

_We attribute our growth and success to our employees. We value their contribution to build our reputation through their commitment, professionalism, creativity and entrepreneurial spirit. Among other benefits, we offer:_

- Opportunity to build experience and expertise in energy trading while working with and learning from some of the best individuals and teams in the business
- Opportunity for continuing growth and development in international area
- 9 months of training in beautiful Hamburg full covered
- Opportunity to use English and German on daily basis
- Very flexible set up when planning shifts (9 team members)
- Being a part of young, dynamic and engaged team
- Motivating salary and performance management system - even for people without experience

If it sounds appealing for you and you would like to apply, please send your CV in English to jobs@epcommodities.cz.
